**South Border Infrastructure Project
(Roads and Buildings)**

Bullet Proof Steel Doors
MAT-GEN-A0250-REV.00

In response to SBG's submittal MAT-GEN-A0250 Revision 00-received on 16th December 2014 pertaining to the **Bullet Proof Steel Doors** from Special and Safety Work Nissren Factory, please be advised that the submittal has been reviewed and given the **Status "B" Approved as Noted** with the following comments:

1. Due to approval of this material SBG should submit six samples to be distributed as mentioned in paragraph No.7 of the Minutes of Meeting No.1 held on 11/07/2013.
2. SBG should submit five copies of Technical Data Sheet stamped by SBG & the Supplier to be distributed as mentioned in paragraph No.6 of the Minutes of Meeting No.1 held on 11/07/2013.
3. Direction of door opening must be coordinated between shop drawings and manufacturer recommendations.
4. Applied material must pass any required laboratory testing by a third party.
5. Warranty Certificate should be provided prior to material delivery.
6. Color selection is subject to Client's approval.
7. According to contract documents the following valid certificates should be submitted prior to material delivery:
 - Saudization Certificate.
 - Zakat Certificate.
 - General Organization of Social Insurance Certificate.
8. All submitted legal/governmental certificates to be renewed and valid during project life cycle.

SBG has the right to submit further proposals as deemed necessary.

Code "B" Approved as Noted does not relieve the Contractor of his obligations under the Contract and he shall be liable for all acts, defaults and negligence.

This is for your information and relevant action.
